SUBJECT LETTER OF APPRECIATION

I wish to thank your staff for the work they have carried out at the Police School over the last few weeks.

As you are aware we have been faced with many obstacles since opening. I wish to pass on my thanks to all the staff from your company who have been involved in helping us to overcome the difficulties. They have shown total commitment and professionalism and it has been a pleasure working with them. Indeed their achievements to date have been impressive even at this early stage.

Please pass on my personal thanks to Heinrich Roos, Thomas Kuck, Heiko Weyand, Frank Wittwer and Georgi Nedev who have shown tremendous dedication to duty. As a result of their efforts the School continues to function despite deteriorating weather conditions.

Your staff will be faced with further difficulties but I am confident that such problems will be overcome as a result of their hard work, professionalism and co-operation with my staff.

As we approach the new millennium I am confident that the students and staff will have a Police School that they can be proud of.
